

PEACE MEMORIAL CORRIDOR

Chippewa Valley - Duluth/Superior

This 150-mile corridor is part of a major passenger and freight corridor that links southern Wisconsin and Chicago, and Duluth-Superior, northern Minnesota, and much of western Canada. It contains the major rail/water intermodal connections at the Twin Ports of Duluth-Superior. The corridor also provides critical economic links between the population centers in southern Wisconsin and northern Illinois to the recreation and tourism areas of northwestern Wisconsin.
